Can you reach out to [Ex. 4 CBI] at some point and let her know who is going to the contact? [Ex. 4 CBI] but will leave it up to HDR.

Dean – Just FYI. See below for my email string with [Ex. 4 CBI] about the surface water splits table.

Yes, sorry. Was waiting for a call we had on Monday to discuss with EPA and Kevin Mooney. We are going through some contracting changes for EPA in the next week. HDR, Inc. is taking over the contract supporting EPA on the project and I'm transitioning over to HDR. Izabela Zapisek and Scott Campbell are also coming back into the fold as subcontractors to HDR. Yesterday Kevin just suggested we work straight with you on exchanging split sample results. Give us a little time to figure out who will take the lead on this and we will be back in touch. Thanks, [Ex. 4 CBI]

[Ex. 4 CBI] – given how emails can pile up over the holidays, I wanted to make sure you had seen this request regarding the split samples for Silver Lake and the 1½ Mile.

Thanks,

[Ex. 4 CBI]

Ex. 4 CBI

Izabela used to send me the results from the EPA split samples collected from the Housatonic quarterly monitoring program for inclusion in the Silver Lake and 1 ½ Mile Annual Monitoring Reports. Would you be able to provide those documents this year? The 2019 packages are attached, for reference.

We like to have the results no later than the end of January, if possible, to make the 2/15/21 submittal deadline.

Let me know!

Thanks,

Ex. 4 CBI
